

EASTER 1917

SPRING CLOTHES are one of the signs of Spring. When everything announces the coming of the new leaves, the grass and flowers, its time for you to announce your own spring. There are two very important facts for young men about this store: one is that we believe in young men, the other is that they believe in us. It is a great combination. It has brought us the trade of the best dressed young men in this community. Right now they are all strong for the new exclusive models we are showing. Belt-all-round, belt-in-the-back-only or plaited back that gives the belt effect, are being shown by us in exclusive patterns such as the

Spartan Plaids, Piping Rock Flannels The Briar Cliffes, Thornsbury Twists

We have a wonderful line of patterns and models for the older men especially good at \$15.00 to \$17.00.

Our Little Folks' Department is loaded full of the kind of values that the mothers want. Including all the new models and patterns and the Sixteen Reasons why you should buy

"Wooley Boy Clothes"

In our Hat and Cap Department we will show you every color and shape that STETSON is showing for the smart spring dressers. Also an exact reproduction of stetson shapes and colors in our own "Yates & Hagan Special" for \$2.50. All the new creations in Caps for the men and boys, pinch-backs and plains, all colors and qualities.

Remember our Furnishing Goods. Silk Shirts, Fancy Hosiery, newest things in Neckwear, Soft Collars, everything a man or boy needs to go to make his dress complete. Remember we can give you more for your money in shoes than anybody in town
